

WINTERGREENS

Green Building

Thursdays
January 18 - March 1*
7-8:30pm
\$79

Brought to you by the Northwest Eco-Building Guild, "Wintergreens" is a 6-part series taught by professionals with expertise in Green Building.

Classes include

- Green Opportunities in Real Estate
- The Economics of Green - Busting the Myths
- Energy and Resource Conservation in Green Building Materials
- Green Design - It's Not Just the Materials
- Green Development - Land and Water

Final class will include a panel discussion, "How much GREEN can you take HOME?" Don't miss this informative opportunity!

Instructors: Debra Shapiro, Fiona Douglas Hamilton, Tom St. Louis, Sandra Fugate and Tom Conner.
